Submit a Turnitin Assignment in MyClasses Canvas
Student Handout

Faculty may chose to enable Turnitin submission for a MyClasses Canvas assigment in your course.

1) Navigate to the Canvas course containing the assignment, then select the Assignments tool from the course menu

Home

Assignments

Discussions

Grades

Note : Depending on the course setting and design , the assignment might be available as part of a Module in the course.

2) Select the designated Turnitin Assignment from the Assignments or Module page .
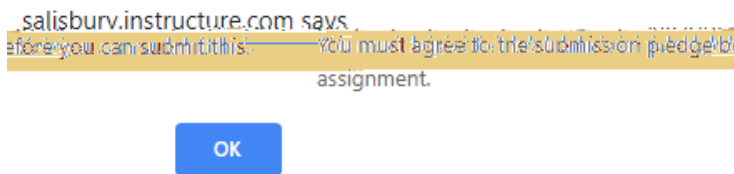

3) Click Submit Assignment .

4) Depending on how your instructor set up the assignment, you may be ask ed to either upload a file (the most common option) or enter text in a Text Entry field using the Rich Text Editor. To submit a Turnitin Assignment, you must click the checkbox to agree to the End -User License Agreement.

File Upload

Text Entry

5) If you press Submit Assignment before you check the box to agree to the End -User License Agreement, you will be given an error message stating that you must check the box before you submit the assignment.

6) Click the End User License Agreement to view the Turnitin User Agreement.

7) Press Submit Assignment to finalize your submission.
