

The first 20 new eligible endowments of \$25,000+ will receive support from incentive funds.
\$20,000, payable for up to five years, to qualify for the incentive.

SU Foundation Incentive

Centennial Challenge

Last updated: August 14, 2024

This graphic demonstrates the compounding impact of an endowment. Over time, the distributions on the left-hand side increase, as does the overall remaining account value.

**Assumes 8% return, 4% annual distribution (spending rate) and 1.4% administrative fee;*

Frequently Asked Questions

Salisbury University Foundation Endowment Incentive

Who can set up an endowment through the Salisbury University Foundation?

How much must I donate to qualify for the incentive?

A gift or pledge of \$20,000 is required to qualify. The SU Foundation will then provide the remaining

Does the gift need to be paid all at once?

No! Multi-year payment plans are available. A donor has a maximum of 5 years to fulfill a pledge.

Can I add \$20,000 to my existing endowment to qualify for the incentive funds?

When will the incentive opportunity end?

I'm ready! How do I get started?

Development officers can also provide guidance on payment options to fulfill your minimum \$20,000

I'd like to create a \$50,000 endowment. Will I receive more than \$5,000 in incentive funds?

Can I create multiple endowments and receive multiple \$5,000 incentives?

Yes! A donor may create multiple endowments. Each new endowment that meets the qualifications will
